Luxury Cruising on  SILVERSEA®

## Scandinavia, North Cape & Russia on SILVER CLOUD

**17 days from  
Copenhagen departing  
London 23 June 2012**

Hosted by Lyn Adrian

Cruise the coast of Norway with its spectacular fjords, visiting Hellysilt, Geiranger, Harstad and Tromso, before rounding North Cape and the Kola Peninsula to Russia. After a visit to the northern Murmansk continue into the rarely visited White Sea port of Archangel, returning to Copenhagen via the Norwegian ports of Alta and Kristiansund.

This cruise may be combined with Silver Cloud's Baltic Sea itinerary which is detailed on the back of this flyer and guests who book and deposit early are guaranteed best available cruise fares in addition to receiving an on-board credit of USD500 pp.

I have had the pleasure on doing this cruise a few years ago and look forward to returning to this beautiful and remote part of the world. Why not take advantage of these early booking fares and join me on our voyage to the Land of the Midnight Sun?
